6: LEGAL REQUIREMENTS

Riders and machines must comply with all legal requirements, and Riders shall ensure that their Third Party Insurance is valid for these events.

7: IAN DETTMER SATURDAY SOCIAL RUN – Saturday 12th April

- 7.1: There is no entry fee for this. Entrants do not automatically receive a Rally Badge, but these may be purchased.
- 7.2: The run will start from the Andoversford Village Hall at 9.30 (sign-on from 9.00).
- 7.3: Route cards will be provided so you can travel at your own pace. The route will be about 70 miles of roads and lanes, but no green lanes or rough tracks. There will be a tea-break and a lunch stop where meals may be purchased if required.

8: 69th FELIX BURKE (or COTSWOLD) ROAD TRIAL – Sunday 13th April

- 8.1: Entrants visit a selection of Controls (or checkpoints) in the area and marks can be earned at each one.

This is a low speed event, so there will be plenty of time to see the countryside and take a tea-break. Riders of older and less powerful machines will be able to pick a shorter and flatter route, and may also gain extra bonus marks (see below).

8.2: Entry Fees

The entry fee is £18 for VMCC members, £23 for non-members, and £7 for passengers. Fees include a meal after the event and a much sought-after Rally Badge. Additional meals may be booked at £5 per person and additional badges at £2. Entry fees will only be returned if the event is abandoned or postponed.

8.3: Description

- 8.3.1: 16 Controls will be identified on 1:50000 Ordnance Survey Map 163.
- 8.3.2: Entrants may start at any Control and visit as many as they wish up to a maximum of 12. The Final Control will be at Andoversford Village Hall.
- 8.3.3: No Control may be visited more than once with the exception of the Final Control at Andoversford Village Hall, which may also be used as a starting point.
- 8.3.4: All Controls will open at 10:00 hours and close at 14:00, except the Final Control.
- 8.3.5: The Final Control will open for signing off at 13:00 hours and close at 15:00 hours.
- 8.3.6: About a week before the event, entrants will be sent details of the Control locations and their six figure map references, so they can plot their choice of route.
- 8.3.7: Each Entrant will be sent a Score Card and it will be his or her responsibility to ensure that it is correctly marked at each Control visited, and handed in at the Final Control before it closes at 15:00 hours.

8.4: Marks Allocation

- 8.4.1: One mark will be awarded for each mile travelled up to a maximum of 60 miles. A mileage chart will be provided showing the official distances between Controls, to assist with route planning.
- 8.4.2: One mark will be lost for each mile travelled in excess of 60.
- 8.4.3: Five marks will be awarded for each Control visited up to the maximum of 12.
- 8.4.4: Riders will be asked motorcycling related questions at each Control visited (except the finish). Up to four marks will be awarded for correctly answering questions. Assistance from passengers or others is not allowed. Some Controls will be adjacent to Green Lanes. At these Controls riders may choose to drive the Green Lane for three marks, instead of attempting questions.
